

# CONGRATULATIONS!

YOU HAVE CHOSEN AN ENVIRONMENTALLY FRIENDLY HOTEL.

In obtaining the Green Key label, this business has undertaken to operate sustainably. Water, energy and waste are used carefully, without compromising on comfort.

**Good for visitors, good for operators, good for the environment.** The Green Key is an important tool for the company environmental management. As a traveller, you can deliberately choose in favour of a sustainable hotel. You can be sure of enjoying attractive, green, high-quality accommodation.

**Green holidays** - Going on holiday or simply having a day out are things you often do to enjoy the fresh air, nature, the forests and the water. Travelling sustainably is the only way to ensure that you can carry on exploring the world, guaranteeing enjoyment of beautiful places and fascinating encounters.

## DEAR CUSTOMER, HELP US HELP THE ENVIRONMENT!

### BY SORTING YOUR WASTE:

Leave newspapers, cardboard, bottles and glasses on the hotel room desk to make sorting easier.

### BY SAVING ON WATER AND DETERGENT CONSUMPTION:

When staying with us for more than one day, use the towels more than once.

### BY SAVING ELECTRICITY:

Turn off unnecessary lights while staying in the room and all the lights when leaving the room.

### BY DECREASING THE WASTE LOAD:

Take only as much food from the breakfast buffet as you can eat.

Do you still have questions about the environmental policy at the place where you are staying or the attraction you are visiting? Are you looking for other businesses with a Green Key in Finland or abroad? If so visit [www.green-key.org](http://www.green-key.org).
